Prof. Ravindra Gokhale
Professor-In-Charge Placements
NITIE, Mumbai

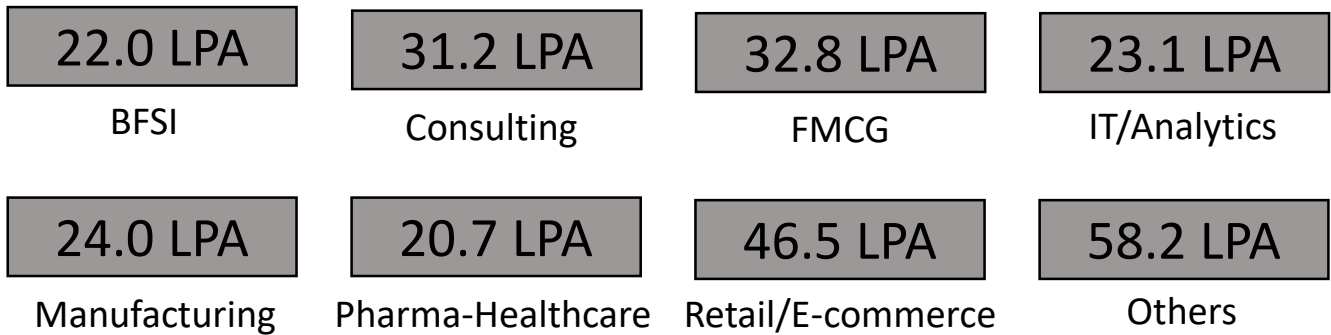

I am filled with immense pleasure as yet another successful season of final placements in NITIE for the class of 2020, comes to a close. The final placements season for the class of 2020 was remarkable as NITIE saw a diverse mix of companies spread across various domains and functions, offering niche roles to the students. As always, NITIE remained the choice of recruiters for Supply Chain, Operations, Consulting, BFSI and IT/Analytics roles.

This success couldn't have been achieved without the stellar performance of the Class of 2020 batch who lived up to the high standards of NITIE. I would also like to express my gratitude to our Hon'ble Director and Dean, Student Affairs, all Faculty members & Placement team for their unwavering support. My earnest thanks to all the new and old recruiters who have shown faith in NITIE. Finally, appreciation is due to the student Placement committee and all staff of the Placement office who strived hard to achieve this feat.
