NURTURING INDUSTRY TOWARDS
EXCELLENCE

THE HISTORY

National Institute of Industrial Engineering (NITIE) was established by the Government of India in 1963 with the assistance of United Nations Development Programme (UNDP) through the International Labour Organization (ILO) to create skilled professionals. It was funded by the Government of India and registered as a society under the Societies Registration Act, 1860

National Institute of Industrial Engineering offers post graduate diplomas in various fields of management and industrial engineering. It also offers doctoral level fellowship programs. Annually, NITIE trains over 2000 professionals through its various week long Management Development Programs (MDPs) and the unit based programs (UBPs) in different areas of Industrial Engineering & Management

TO ADVANCE TRANSFORMATIVE EDUCATION AND INDUSTRY-INSPIRED RESEARCH IN INDUSTRIAL ENGINEERING.

EXCELLENCE IN COMMUNICATION

PROGRAMME

Effective

communication is the necessity of any organization. It helps in satisfaction of personal and professional needs. Unsatisfied needs not only impede an individual's progress but also dissuades organizational productivity. With VUCA, communication has become even more challenging.

"Excellence in Communication" is an endeavour that aims at working on communication challenges. Constant engineering of our training method has enriched the learning experiences of our participants. This program has helped them in strengthening their communication competencies effectively. To improve their excellence, we extend our hands in the journey called "Excellence in Communication."

We welcome participants from all functional area working at any level of management.
